

SPRING BREAK AT THE LAKE 2017

Dear Club Family,

Thank you for your interest in Spring Break Camp this year! The Boys & Girls Clubs of Bloomington Camp Rock & Lincoln Street sites will partner once again to offer half and full day program options during Spring Break.

Full Day Campers will begin their day with drop-off between 8:00-8:45am and depart the Lincoln Street Club by 9:00am for a daily trip. Campers will travel either to Camp Rock or to a local field trip destination.

Camp Rock is an American Camping Association (ACA) accredited camp. Accreditation means that Camp Rock complies with up to 300 health and safety standards tailor made for outdoor camp programs. Campers will spend their time at Camp Rock enjoying activities such as boating, hiking, outdoor cooking, archery (ages 9+ only) and large group games depending on the day for which a camper is registered. Programs are led by trained and certified staff and campers are supervised at a 1:8 ratio for 6-8 year-olds and a 1:10 ratio for 9-13 year-olds. Other morning field trips this spring include Bowling at the IMU and a trip to Wonderlab for some added fun!

From 12pm-6pm each day, Full Day Campers join Half Day Campers for fun at the Lincoln Street Club.

Half Day Campers will enjoy all the Lincoln Street has to offer! Afternoon half-day programming starts at 12:00pm and campers must be picked up by 6:00pm.

Register A Camper

To properly register a camper for Spring Break 'at the Lake' you will need to submit the following in person:

Full Day (Morning) Camper

- Completed Spring Break 'at the Lake' registration form
- Completed (or updated for previous campers) Health History Form
- \$15/ day per child
- Completed Membership Form & \$20 Membership Fee (for new or renewing members)

Half Day (Afternoon Only) Camper

- Completed Spring Break 'at the Lake' registration form
- Completed Membership Form & \$20 Membership Fee (for new or renewing members)

*Morning Camp Rock activities subject to change based on weather conditions and temperatures

What to Bring

Campers should plan to dress for the weather, especially on Mon/Wed/Fri mornings when we will travel to Camp Rock. Campers should wear warm, sturdy shoes for outside play and hiking. On these mornings, Full Day Campers will be outdoors for up to two (2) hours. Gloves, hats, and socks are a must for comfortable play! Campers who are not dressed for the weather may not be able to participate fully.

Please send your camper with a packed lunch and please avoid foods that need to be cooked or heated. Campers should eat breakfast before coming to the Club in the morning. Campers will receive an afternoon snack as a part of the program each day.

Campers do not need to bring spending money for any reason. All field trip admissions are covered in your child's registration fee.

All restrictions and guidelines regarding what members may and may not bring to the Club are covered in the Boys & Girls Clubs of Bloomington Parent Member Handbook. This can be obtained at the membership desk should you have questions!

Behavior Management

If you are not familiar with The Boys & Girls Clubs of Bloomington Behavior Management Protocol, please pick one up at the membership desk! Please note that if a camper is suspended from the Club, no refunds will be issued.

Cancellation Policy

Upon receipt of payment, a space in the program is held for your child. If you choose to cancel a registration after having paid, a 50% refund will be issued with 24 hour advance notice of the date in question.

If a camper is a 'no-show' or a cancellation is made with less than 24 hour advance notice, no refund will be issued.
